“Legally” Kidnapped without Cause

Born with Down syndrome (or Trisomy 21) and a little more than four months old, Halo was recovering from a critical, open-heart, atrioventricular canal repair procedure when her parents were informed they could no longer see her or even be on hospital grounds.

Halo’s Story

Meet Halo! Be prepared to have a range of emotions but she’s going to make you smile.

Read some of Halo’s story. Watch some videos of Halo with her parents. Follow Anita, Halo’s mom, on social media. And support the fight to bring home sweet Halo.
